Once upon a time there was a girl called 
Little Red Riding Hood.
Together with \( she \) _________ \(^1\) mum, \( she \) _________ \(^2\) lived in a big forest.

One fine day, the mother said,

“\( you \) _________ \(^3\) grandma is ill. Please go and take \( she \) _________ \(^4\) a cake and a bottle of wine. Grandma's house is not too far away from \( we \) _________ \(^5\) house, but please do always keep to the path and don't stop!“

So, Little Red Riding Hood made \( she \) _________ \(^6\) way to grandma's house.

In the forest \( she \) _______________ \(^7\) met the big bad wolf. Little Red Riding Hood greeted \( he \) _________ \(^8\) and the wolf asked,

“Where are \( you \) _________ \(^9\) going, Little Red Riding Hood?”

“To \( I \) _________ \(^10\) grandma's house,“ answered Little Red Riding Hood.

“Can you tell \( I \) _________ \(^11\) where \( you \) _________ \(^12\) grandma lives?“

“(\( She \) _________ \(^13\) lives in a little cottage at the edge of the forest.“

“Why don't \( you \) _________ \(^14\) pick some nice flowers for \( she \) _________ \(^15\) ?“ asked the wolf.

“That's a good idea,“ said Little Red Riding Hood and began looking for flowers.

Meanwhile, the wolf was on \( he \) _________ \(^16\) way to grandma's house. The house was quite small but nice and \( it \) _________ \(^17\) roof was made out of straw. The wolf went inside and swallowed poor old grandma. After that \( he \) _________ \(^18\) put on \( she \) _________ \(^19\) clothes and lay down in grandma's bed.

Some time later, Little Red Riding Hood came to the little cottage. \( She \) _________ \(^20\) went inside
and was shocked by the sight of (she) ________ 21 grandma.

“Oh grandma, what big eyes, hands and mouth (you) ________ 22 have got!“ Little Red Riding Hood said.

There, the wolf jumped out of bed and swallowed (she) ________ 23, too. Then (he) ________ 24 lay down again and fell asleep.

After a while, the hunter passed by Grandma's house. (He) ________ 25 heard somebody snoring, thought that there was something wrong and consequently went inside. In the bedroom, (he) ________ 26 saw the wolf. First, the hunter wanted to shoot (he) ________ 27. But then (he) ________ 28 saw the wolf's big belly. So, the hunter took out (he) ________ 29 knife and cut the wolf's belly open. Out came Little Red Riding Hood and (she) ________ 30 grandma.

“Thank you for saving (we) ________ 31," whispered Little Red Riding Hood. Then, all of (they) ________ 32 went to fetch some stones and put (they) ________ 33 in the wolf's belly.

Soon the wolf woke up. (He) ________ 34 was very thirsty and went to the well in the garden to get some water. When the wolf wanted to lean over and drink, the stones in (he) ________ 35 belly were too heavy and pulled (he) ________ 36 down into the well.

Grandma, the hunter and Little Red Riding Hood were happy, ate (they) ________ 37 cake and drank the wine. But in the well, the wolf thought, “Why do such things always happen to (I) ________ 38?“

- The End -
